Health Policy

Glaucoma Research Foundation is committed to the health and safety of our attendees, exhibitors, staff, and volunteers. In line with best practices as recommended by the Centers for Disease Control and Prevention (CDC), the State of California and City of San Francisco, we will not require proof of COVID-19 vaccination for entry to Glaucoma 360.

In addition:

- We recommend that everyone be at least two weeks past their completed COVID-19 vaccine and be up to date with booster shots.
- We recommend attendees stay home if symptoms of any illness are present.
- Mask wearing is optional.

GLAUCOMA 360

Glaucoma 360 is a series of three events uniting research, industry, and philanthropy to cure glaucoma and restore vision. Please note that each event requires separate registration.
